

THE CONFEDERATION OF CANADIAN UNIONS LA CONFÉDÉRATION DES SYNDICATS CANADIENS

Mr. Premier,

I am writing on behalf of the Confederation of Canadian unions in order to protest the passage of Bill 150 on March 30, 2011. As you know the bill removes the right of TTC workers to bargain collectively.

The Confederation of Canadian Unions supports freedom of association, including the right to strike, for workers in Canada and throughout the world. Our organization views the right to strike as an essential component in any fair and democratic legislative regime governing industrial relations.

The Confederation of Canadian Unions urges the government of Ontario to respect the fundamental human rights of the TTC workers and all workers in the province, including the right to meaningful collective bargaining and the right to strike .

Sincerely,

John Hanrahan
Vice President, Confederation of Canadian Unions
