Dear Brother Kelly,

I just wanted to take a moment to acknowledge the generous support the CCU has shown us over the years.

Thank you!

Of course we will be asking for your support again but for now, please know that we appreciate you and all CCU does for a better Canada.

Sincerely, Heine

Founded in 1985, the Council of Canadians is Canada's leading social justice organization, mobilizing grassroots action in communities across the country. Through our campaigns we advocate for clean water, fair trade, green energy, public health care, and a vibrant democracy.
